Public Service Announcement: REQUEST for LAND PROPOSAL

(March 27, 2007 – College Place, WA) The College Place School District No. 250 announces that it is accepting land proposals for 60 – 70 acres of charitable gift and/or “for sale land” from owners inside the School District boundaries. Furthermore, any land in consideration must be within, or directly adjacent to, the Urban Growth Area (UGA).

Proposals will include a description of the land, initial terms as established by the landowner, and any other details, such as infrastructure or water, that the landowner wishes the District to be aware of as they evaluate the proposals.

Land Use Maps are available at the College Place Public Schools District Office, located at 107 SE 2nd Street. For additional questions regarding boundaries of the UGA, please contact the City of College Place at (509) 529-1200.

The deadline for consideration of proposals is April 13, 2007.

All proposals and questions are to be directed to:

Superintendent Tim Payne
College Place Public Schools
