Whatever pencils, crayons and other small items your child brings must fit easily in their pencil pouch or small pencil box. Loose leaf paper, tissue, pencils, glue sticks and erasers will be put in a communal storage area to be shared by all students, since there is so little desk space. Because of that limited space, please do not allow students to bring trapper-keepers – if brought, those items will be sent home immediately. *Please, no toys, pencil sharpeners or staplers.
