

CITIZENS' ADVISORY TEAMS AND TASK FORCES

The Superintendent and/or Board may appoint a Citizens' Advisory Team or task force as necessary to gather public input and/or establish interaction with the community about selected issues. The team shall study school matters and submit their findings and recommendations to the Superintendent and/or Board. This team shall be formed by authorization of the Board. Such authorization shall include a description of the responsibilities and reporting relationships and shall specify the duration of the team's existence.
