

Capital and Theft-Sensitive Assets

The District's Business Manager is responsible for inventories of district property.

The individual conducting the inventory shall have no direct responsibility for assets subject to the inventory count.

District assets will be marked with a unique identification number (e.g. bar code, property tag) and identified as district property. All capital assets and theft-sensitive assets will be identified and marked upon purchase or receipt.

Ultimate disposition data including the date of disposal and sale price, if applicable. Federally purchased items with a per unit fair market value over \$5,000 must reimburse the federal program proportionately. Disposed items with a per unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

When questions arise during the process of the inventory the Business Manager will be contacted.

Capital Assets

1. A capital assets inventory report shall be provided to the board annually. Such report shall identify all items including items that were lost, damaged or stolen since the last annual report.
2. What information to record:
 - a. Description of the item;
