Disclaimers:

*Three staff members did not make a clear choice from the plans listed, they either changed the data or did not respond; these could not be rated.

*Some staff only made one choice from the plans, and some only made 2 choices – not everybody marked a 2nd and 3rd choice.

Weighted Table – point system

1st choices were given 3 points, 2nd choices 2 points, and 3rd choices 1 point; then all the points for each plan were added together to get a total points for that plan. 'Will not support NO' votes were not given a weight.

	total
Plan A	169
Plan B	113.5
Plan C	145
Plan D	134.5

Graph

Top bar for each plan represents number of staff members who voted that plan their first choice. The second, or lighter bar, is the number of staff members who voted NO for that plan – that they would not support that plan.
